

SCUDERIA

SCUDERIA

Precision, Power, Excellence!!!

The Scuderia semi-automatic shotgun, part of the Sierra Defense semi-auto line, is highly regarded for its rugged reliability and dependable performance. It is designed to withstand adverse conditions and is well-suited for a variety of shooting environments, including fields, blinds, and shooting ranges worldwide. The Bavaria is a lightweight firearm that offers durability and quick handling. It is capable of smoothly cycling a wide range of ammunition, from target loads to heavy 3-inch magnums. With its exceptional performance, the Scuderia has earned a reputation for excellence in the shooting community. Equipped with Beretta®/Benelli® Mobil chokes (IC, M, F) and a ventilated butt pad, the Scuderia ensures optimal functionality and comfort. Experience the excellence of the Scuderia Series. The firearm is backed by a two-year warranty, ensuring reliability and support.
